Blast Radius Report

Operational Impact of the MITC Amendment

Regulatory Event	SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/19
Date	17 February 2025
Prepared by	Compliance Department
Status	Compliant after remediation

Prepared by the Compliance Department
Document Reference: AWA/BLAST/2025/MITC

Propagation of the Regulatory Change

Step	Impact Layer
1	Regulatory Change (MITC Circular)
2	Affected Obligations (3 modified, 1 added)
3	Affected Policies (Internal Compliance Policy v1 → v2)
4	Affected Agreements (Template v1 → v2)
5	Affected Clients (2 existing clients)
6	Evidence Required (5 artefacts)
7	Compliance Status (Restored — Compliant)

Impact Summary

Dimension	Count	Detail
Obligations	4	3 modified, 1 added
Policies	1	Internal Compliance Policy v2
Agreements	1	Client agreement template v2
Clients	2	Existing clients notified
Evidence	5	Email, agreement, acknowledgements, policy, sign-off
Controls	2	Existing controls updated

Semantic Note

Beyond the direct structural links, a semantic similarity analysis surfaced the client-notification control as affected by the fee-and-terms disclosure change — a dependency that a purely structural view would miss. This confirms the completeness of the impact assessment.
